

3-Day Free* Natural Gas Truck Loaner Program

Sponsored by Ryder, Clean Energy, Atlas ReFuel, and the Sacramento Clean Cities Coalition

Why Natural Gas?

Now you can get familiar with the technology everybody's talking about!

Ryder is partnering with Clean Energy, Atlas ReFuel, and the Sacramento Clean Cities Coalition to provide a free* 3-day natural gas truck rental to Sacramento area businesses. As a fleet, finding a way to balance government emission regulations and environmental concerns while simultaneously trying to keep fuel costs low can be difficult. With the growing natural gas infrastructure in the Sacramento Region, fleets of all sizes are beginning to transition to natural gas due to its high performance, low emissions, and low cost.

Ryder has transitioned to natural gas....is it your turn?

What trucks are available?

- Freightliner M2 with Cummins 9L ISL 320hp
- Freightliner Cascadia with Cummins 12L ISX 400hp

Do I qualify?

- Must meet Ryder credit requirements
- Must have been in business in the Sacramento Region for at least 3 years
- Must have Local or Regional routes

How much do I pay?

- 3 days of free* rental of a CNG Ryder Truck
- Natural gas fuel card provided by Clean Energy
- *The rental is free but there is a 15 cents/mile fee
(i.e. 900 miles = \$135)

Who do I contact?

If you are interested in this loaner program, please contact: Jeff Susca | Ryder Truck Rental Manager | (916) 372-7500 x 201 jeffrey_susca@ryder.com
