

# Commercial Fleet Incentive Program

## Incentives to help drive your business.

Take your business to the next level by electrifying your commercial vehicles. When you're ready to purchase vehicles for your business, let SMUD help. We offer incentives ranging from \$750 per vehicle and go up to \$15,000 for heavy trucks.

Classification	Duty classification	Weight limit	Incentive	BEV examples
Passenger Car	Light duty	N/A	\$750	Bolt, BMW i3, Leaf
